From the President....

Dalton High School has a very active PTO and this year will be no different. Our mission is to help improve the relationship between teachers, administrators, parents, students and the community. The amount of time and effort that our many PTO volunteers put into the support of Dalton High School functions show that DHS parents care and put their full support behind their child's school.

PTO funds are utilized to benefit our students and faculty. We are dependent upon our fundraisers such as membership, hospitality, academic booster club and candy sales to provide financial support for our students and our school.

If you have any questions, suggestions, or comments regarding PTO, please contact any of the officers listed above. It's never to late to join PTO.
