Tax Digest Assumptions

- No change in millage rate
- Digest growth of 2% or \$521,000
- If digest grows 1%, then additional revenue is \$208,000
- Current year digest actually declined 1% primarily due to reductions in personal property

State Funding

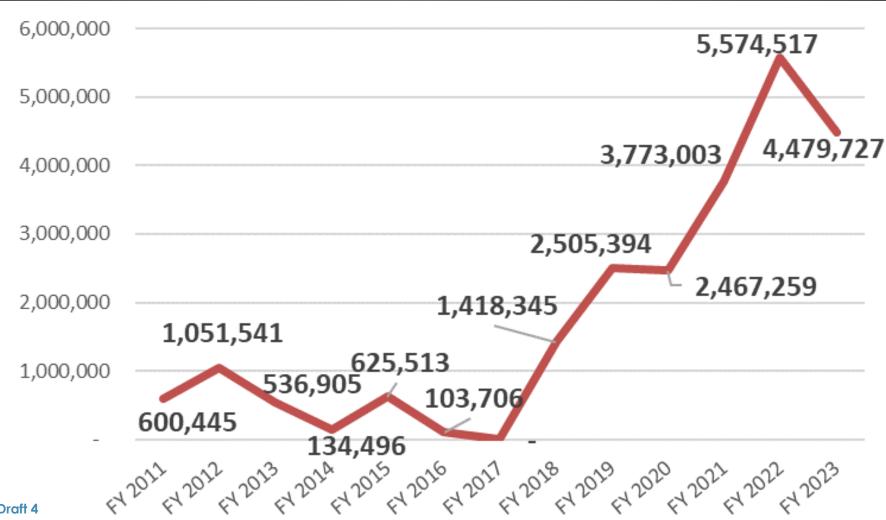

- Funding increase of
 \$1.5 million due to
 \$2,000 improvement to the teacher salary scale
- Showing loss of \$700,000 in due to formula changes to the Early Intervention Program (EIP) and other enrollment reductions
- Equalization formula loss of nearly \$1.1 million

FY2023 Final Budget Draft 4

6/13/2022

Historic Equalization Formula Earnings

- Improvements to the employee salary scales \$2.0 million increase in salary and benefits
- ► Moved paraprofessionals, school clerical staff, custodians and administrators back into General Fund from the Elementary and Secondary Schools Emergency Relief (ESSER) federal funds of \$2.9 million in salary and benefits
- Add 21 positions of teachers, paraprofessionals, administrators and support personnel throughout the schools and central operations totaling \$1.7 million
- Reduced instructional positions at Dalton High and removed some open central office positions
- Moved 6 EIP positions into the federal funds reducing \$619,000
- Review personnel changes of current retirements and resignations to adjust salary and benefits accordingly for next year

- ▶ Property & maintenance increases for custodial contract services
- ► Maintaining SROs
- ▶ Reductions to central office operating budgets
- Student transportation cost increases

Impact of Salary Scale Improvements (not including step)

- State teacher scale increase of \$2,000
- The lower the pay the better the percentage pay increase
- Average salary improvement will be 3.5% for teachers
 - Minimum increase will be 2.4% (Doctorate with 23 or more years)
 - Maximum increase will be 4.8%
 (regular teacher scales),
 5.2% for employees on the provisional
 (BT) scales, and
 Prekindergarten maximum of 5.7%

- Replicate similar percentage increase to the support staff scales and employee pay
- Improve Support I IX scales over the next two years
 - Add \$1.30 to the starting step on scales for fiscal year 2023
 - Add \$1.00 to the starting step on scales for fiscal year 2024
- However, steps on support scales are not tied to years of service
- Therefore, placement on next year's scales will be different than current year placement
- Support staff increases will range from 2.4% (Support IX –X) to 5.2% (Support I – II)
- Average increase is 4.1%
