

Q: Is there a budget for the project?

A: There is not a budget for the project.

Q: What is the time frame for the project?

A: We are interested in having this done no later than mid-Summer.

Q: Will the current speakers for the system be replaced?

A: If the vendor deems it necessary.

Q: Do we prefer digital mixer interface or physical?

A: Physical, but if there is a digital option that could work in tandem or in addition to, that would be great.

Q: Can we obtain a blueprint?

A: We can supply a blueprint

Q: Intend/want this new setup to be connected to the larger school data network or would it be an isolated system?

A: Isolated system

Q: Do you want the delivery date for a completed project or the ETA for the equipment?

A: Delivery date for completed project after equipment arrival if ordering is necessary.
