

Please Note:

-Freight is included in the unit pricing.

-Installation is included in the unit pricing.

-The installer will meet the delivery trucks onsite and unload the trucks; they will then uncrate and set in place the serving line, and remove all packing debris from the site when they are finished. Final connections are to be done by others.

-The site **MUST** be ready upon installer's arrival; if it is not, or the installer has to make a second trip, more charges will incur and be the responsibility of the customer.

-We are not responsible for any utility upgrades or architectural modifications if they become necessary.

-This job is being bid site unseen; if the installer, upon arrival, deems that more work is necessary than a standard install, more charges will incur and be the responsibility of the customer.

-This work is to be done during normal hours, Monday – Friday, 8:00 am – 5:00 pm.
