

Letter of Transmittal

US Foods Atlanta is pleased to have the opportunity to once again offer our services to the students and staff of The Northwest Georgia School Food Buying Group. We are excited about the prospect of renewing and refining our partnership with the Group. Our experienced and knowledgeable staff is eagerly looking forward to continuing to support you in achieving your goals of providing nutritious, high quality, and appealing meals to your students.

Your business is extremely important to US Foods Atlanta. We have always held the Group in the highest regard for your efforts in educating our children about the healthy eating habits that will benefit them throughout their lives. I know that if we are successful in this bid, we will provide the Group with the superior service, and the quality products they expect, at the best prices available.

This proposal is based on the premise that the award will be all or nothing to one distributor.

Thank you again for this opportunity.

Sincerely,
