There is no minimum screen size.

Does Dalton perform your own image creation for Windows devices?

Yes

Would Dalton like vendor to provide pricing for image creation?

No

Would Dalton like vendor to provide pricing for image deployment?

No

In your RFP you are requesting two warranty options, a 3 year accidental and a 3 year depot. Do the requested warranties need to be OEM branded or are considering a 3rd party offering?

The ADP does not have to be OEM but please provide specifics to the ADP program options you are including.

Preferred Device Requirements

You are requesting an i3 processor or AMD Ryzen Do you consider the M3 as an equal comparable processor?

No M3 is not equivalent to an i3

Are you considering any device deployment services?

No

For the Chromebook optional unit, is the 32GB SSD a strict requirement?

Minimum Requirements must be met for any device to be considered.

Estimated Delivery Turnaround: Even though there is a broad perspective order timeline is the thought that all 1,800 or so units would be procured at the same time?

The 1800 units would be purchased on one PO.

Preferred Device: Is there a preference for a 10" or 12" screen?

No.

3 Year Service Plans: Is this 3 years from the date of delivery or 3 years in extension of the standard warranty that comes with the device?

3 years from the date of delivery.

Cost Proposal Page: This page requests an "All-inclusive Maximum Price for the proposal". Given the itemization and optional requests as well as items within the General Terms and Conditions, I assume that I can provide a separate, formal quote with line item breakdowns for the preferred device and optional device as well as any supporting collateral in accordance with those items?

Please do, this is preferred. Please also fill out the All-inclusive price with 1800 * the highest unit priced product.
