

FY19 Technology Hardware RFP

Q & A

Q: I would like a rough idea of the quantity within each hardware category you plan to order?

**A: Quantities needed of each product will vary. No minimum order amount or estimated quantities will be provided for any items in this RFP.**

Q: Will you accept bids on refurbished or used products?

**A: No, all products should be new products.**

Q: Can a manufacturer be more than 100 miles from the district?

**A: Yes, the reseller or if you are a direct to customer vendor then you must have an office within 100 miles.**

Q: For the desktop, can you please clarify which form factor you are requesting. The example has the Tiny/Micro, but the requirements list a small form factor.

**A: Approximately the following: Width 3.6cm (1.4") Depth 17.8cm (7.0") Height 18.2cm (7.2") Weight 2.60 lbs (1.18 kg)**

Q: For the projector, does the quoted model have to match the example included (Casio XJ-V10X) or can it just meet the minimum specs included?

**A: No, it just needs to meet minimum specs.**
